Michigan Victory Games 2010 A Great Success!

It was a very successful 2010 Michigan Victory Games (MVG) in East Lansing in May. We had over 100 athletes and coaches at Michigan State University for our MVG event. There were 8 teams represented, along with many independent athletes. Four awards were given at the MVG banquet on Saturday night to:

- Joshua Olsen- Athlete of the Year**
- Kristen Laskowski - Junior Athlete of the Year**
- Eric Morris - Coach of the Year**
- Patty DeShetler - Volunteer of the Year**

Congratulations to All!

2010 Team Trophy presented to the Mighty Oaks.

Thank you to all athletes, coaches, volunteers and sponsors for making 2010 MVG a successful event.

Thursday Team Night was a huge success!

We introduced Team Night to kick off MVG competition in a fun way. Lots of laughs were shared by each team. Everyone loved dressing up their coach, especially with shaving cream!

Lots of great pictures posted on MVG website and Facebook.
